

Meet the Startup and Scale-up bankers

Leon Christ and Patricia van Someren. In addition to the standard services that you can expect from a bank, they offer various extras for startups and scale-ups.

Startups and scale-ups

Rabobank

Rabobank supporting ambitious startups and scale-ups

You aim to be a successful entrepreneur and to achieve your business goals. Good support and guidance are not only very valuable, but are an essential part of growing your business. The Startup and Scale-up team of the Rabobank looks forward to accompanying you on this journey.

The Rabobank Startup and Scale-up team can offer advice on financial issues such as leases, but is also able to offer consultation services for the purpose of identifying business risks. Aided by their support and advice, you will be able to focus on the growth of your company.

Meet the Startup and Scale-up bankers: Leon Christ and Patricia van Someren. In

addition to the standard services that you can expect from a bank, they offer various extras for startups and scale-ups.

They advise and assist you on the following topics:

- funding for business activities (through an 'Achtergestelde Innovatie Lening', for example);
- leasing business assets;
- risk management and insurance;
- participating in initiatives that stimulate innovation (Money Meets Ideas, 'Rabo Duurzame Innovatieprijs' and 'Innovatiefonds');
- introduction to their (international) network;
- international financial logistics and onboarding.
