

Rabobank

Business Banking Fees

As per 1 January 2020

Business Banking Fees

This brochure contains all the business payment costs for Rabobank. Payment costs include, for example, the business account fee, the subscription costs for a point of sale terminal, Rabo internet banking- and statement information costs. Your total payment costs will depend upon your particular banking set up for payments.

For additional information regarding the products mentioned please visit our website:

www.rabobank.nl/bedrijven/english-pages/making-and-receiving-payments

**In case an (existing or future) business relation requires information regarding your banking relationship with Rabobank (for example in connection with the tendering of work or project) you can make use of the bank declaration.

***If an accountant is compiling your annual report then they will require an overview of all your banking products. This overview can include current-, savings- or investment accounts that you hold with Rabobank but also loan facilities and lodged assets/collateral.

In this case you require a standard bank declaration. Each standard bank declaration comprises the same sections. These are defined in cooperation with the NIVRA (Dutch professional accountants association). The content of these sections is for each company comprised individually.

Foreign Exchange Settlements*

Cash foreign exchange settlement**	online	No charge
	by telephone	€ 25.00
Forward exchange settlement	online	No charge
	by telephone	€ 150.00
