# Rabobank Group

Rabobank is a socially-responsible bank. We are committed to making a substantial contribution towards achieving wealth and prosperity in the Netherlands and to resolving the food issue worldwide. We focus on strengthening our customers and their communities in order to achieve these objectives.

## **Nearby the customer**

Our ambition is to be the most customer-oriented bank in the Netherlands and the leading Food & Agri bank worldwide – the nearby bank. Rabobank is committed to making the difference as a leading, cooperative, customer-oriented bank locally through Banking for the Netherlands and worldwide through Banking for Food.

## **Banking for the Netherlands**

Rabobank feels a strong connection with her customers and members and consequently also with the future of the Netherlands. We prosper when our customers prosper. We can distinguish ourselves as a cooperative bank by making a targeted contribution to meeting the challenges the Netherlands will face in the years ahead. This constitutes an investment in sustainable welfare and prosperity in the Netherlands. We strengthen the Netherlands of the future through Banking for the Netherlands.

## **Banking for Food**

The Netherlands is leading in the food and agri sector. Stemming from its agricultural roots, Rabobank has contributed to securing this position for the Netherlands and also wants to make a relevant and sustainable contribution to the global Food & Agri sector in the future. The related aim is to increase the availability of food, improve the access to food, promote healthy nutrition and enhance the stability of the food industry.

## **Stronger balance sheet, better performance**

In addition to the strong focus on customers, we will strengthen our balance sheet so we can face the future as a rock-solid sound bank. This is how we will bring about a fundamental improvement in performance that is necessary in order to ensure fulfilment of our ambition.

*“We are proud  
to be one of the  
world’s most  
sustainable  
banks”*
